

HEALTH WARNING**ISSUED BY THE MINISTRY OF HEALTH OF THE REPUBLIC OF SERBIA****For travelers arriving from countries with registered cases of respiratory infections caused by novel coronavirus (COVID-19)**

If you were in areas with outbreaks of COVID-19 infections, or if you have been in contact with persons suspect for the infection, or if you visited hospitals where cases of COVID-19 have been treated

We kindly ask you in order to prevent transmission of the infection, but also to protect your health, to take following measures:

- reduce contacts with persons in your household, work place or in public places during next 14 days,
- if you notice symptoms of a respiratory infection (fever, sneezing, cough, runny nose, difficult breathing or other), put a mask on your mouth and nose, increase hand hygiene (wash your hands with warm water and soap frequently), avoid contacts with other persons, use a tissue when sneezing or coughing, and make a phone call to responsible epidemiologist of an institute of public health responsible for the territory you're living in (the list is provided at the end of this document). The epidemiologist will give you instructions for further procedures. We kindly ask you to follow these instructions completely.

For further information you may call +381648945235 (phone number opened by the Ministry of Health of the Republic of Serbia), Public Healthcare Institute of the Republic of Serbia "Dr Milan Jovanovic-Batut" (Dr Subotica Street no. 5, 11000 Belgrade, phone number: +381112684566) or the institutes/institutions in charge of public healthcare at the territory of your residence
